**Subject:** Bethpage Plume Concerns, Nassau Co., NY (RPL No. 161114, PAD No. 16-433)

Good Afternoon Ms. Mahon,

Thank you for contacting the US Environmental Protection Agency (EPA) to determine if the Bethpage plume is impacting the Massapequa Park area.

Nice talking to you this morning!

The link: <https://www3.epa.gov/region02/waste/fsgrumm.htm> is a Fact Sheet for the "Naval Weapons Industrial Reserve Plant and Northrop Grumman Corporation Site" (Site) which provides contacts for this Site. Currently, it is a storage facility permitted under the federal Resource Conservation and Recovery Act (RCRA). Both the Navy and Northrop Grumman are listed as responsible parties and are remediating (cleaning up) this Site.

The New York State Department of Environmental Conservation (NYSDEC) is the lead agency for remediating this Site. The contacts for this Site are:
